Dear Chief Secretary,

As you are aware, commemoration of *Azadi Ka Amrit Mahotsav (AKAM)* is being coordinated by the Ministry of Culture with active participation from all States Governments and UT Administrations to ensure wider participation.

One of the events relates to the rendering of the National Anthem of India. I seek your cooperation to encourage participation in reaching out to and involve our fellow countrymen and women for contributing their individual rendering of the National Anthem of India at: <https://rashtragaan.in/>. A running band/ticker 'Contribute your rendering of the National Anthem of India at: <https://rashtragaan.in/>' may also be included in all Websites under your State Government/UT administration.

I look forward to your active cooperation,

Warm regards,

Yours sincerely

(Raghvendra Singh)

August 3, 2021

Dear Chief Secretary,

As you are aware, commemoration of *Azadi ka Amrit Mahotsav* is being coordinated by the Ministry of Culture. One of the major events relates to the rendering of the National Anthem of India. My earlier letter to you on this subject of 29th July 2021 kindly refers. I again reiterate that the rendering of the National Anthem has to be done on <https://rashtragaan.in/>. The responses currently received indicate that information has yet not percolated, of if it has, the response has been well below our expectation.

The person up-loading the National Anthem is issued a certificate. May I request that a system be devised whereby the person uploading the Rashtragaan downloads that certificate and 'Whatsapps' it to a person of responsibility. This will not only be effective within your Departments of the State Government/UTs, but shall prove equally useful in the Public Sector Units of the State/UT. This will improve the monitoring system, as also introduce a system of accountability.

May I suggest that this method of monitoring be adopted for better accountability. It will greatly help if a response to my request is sent by 5th August, 2021.

head up words,
