**Draft Terms of Reference (ToR) for Management Information Systems (MIS) Operator in 5 Project
Districts under Directorate of Handloom & Textiles, Assam**

(A) BACKGROUND & OBJECTIVES OF THE PROJECT

1. The Government of Assam (GoA) through Government of India (GoI) has received a loan from the World Bank for the Assam Agribusiness and Rural Transformation Project (APART). Assam Rural Infrastructure and Agricultural Services (ARIAS) Society is the apex coordinating and monitoring agency for APART while **Directorate of Handloom & Textiles, Assam** is one of the implementing agencies in the project. For this purpose, an Operational Project Implementation Unit (OPIU) has been set up at the **Directorate of Handloom & Textiles, Assam**. OPIU **Directorate of Handloom & Textiles, Assam** in consultation with ARIAS Society, now intends to hire **MIS Operators** for APART to be placed in the 5 (five) Project districts (Kamrup, Lakhimpur, Sonitpur, Jorhat and Sivasagar) under the **Directorate of Handloom & Textiles, Assam**, on purely contractual basis.
2. The Project Development Objective of APART is to “add value and improve resilience of selected agri value chains focusing on smallholder farmers and agro-entrepreneurs in targeted districts of Assam”.
3. There are four components of APART: The first component is Enabling Agri enterprise Development, with sub components being (i) enhancing state capacity to attract private investments, (ii) setting up of an Enterprise Development and Promotion Facility (EDPF) (iii) setting up of an Agribusiness Investment Fund (AIF) (iv) establishing stewardship councils. The second component is Facilitating Agro Cluster Development with sub-components being- (i) support establishment of cluster level Industry Associations (IAs), (ii) supply chain support. The third component is Fostering Market Led Production and Resilience Enhancement with sub components being (i) promoting climate resilient technologies and their adoption (ii) Facilitating market linkages through market intelligence and product aggregation (iii) Facilitating access to and responsible use of financial services. The fourth component is project Management, Monitoring and Learning.
4. The project will achieve the PDO by: (i) promoting investments in agri-enterprises, reducing the business and transaction costs, facilitating access to finance for agribusiness entrepreneurs, and, where appropriate, push for process, regulatory and/or policy change; (ii) supporting the development of a modern agri supply chain; improved information communication technologies (ICT) based farm information and intelligence services, and alternative marketing channels; and (iii) improving producers’ access to knowledge, technologies and infrastructure so that they are able to respond to market opportunities and climate variability. To achieve the PDO, the project will adopt a clusters (production and enterprise) and value chain approach.
