

Weavers Extension Service Unit (WESU) (Total 98 Units)

The Directorate of Handloom & Textiles, Assam has been operating 98 Nos. of Weavers Extension Service Units (WESU) throughout the State of Assam. Objective of the programme is to enable the weavers to weave clothes in their looms at home. The weavers are supplied with yarns from the Units along with technical assistance as and when necessary from the technical staff available in these centers. On return of woven fabrics the weavers receive wages as per approved rate of the Department.

About 15,000 weavers of the State are assisted through 98 WESUs every year. Besides providing all hands on extension services through technically skilled staff. Lack of working capital has staggered the activities of the WESUs in the recent years. Yet the units have been providing good extension services to the weavers of the State.

The staff position is shown below
